THANK YOU TO OUR PARENT ADVISORY COUNCIL

Today, on the last day of school before the winter break, a sizable army of parent volunteer foot soldiers, under the leadership of PAC Executive members, organized a wonderful pancake breakfast for the entire school community! Feeding 630 students and 70 staff is no small feat, and the parent elves were up and at school early this morning to get things rolling. Thank you to everyone who volunteered their time to mix pancake batter, flip pancakes, serve the delicious meal, and clean up afterwards. There was a wonderfully festive spirit in the gym today and our bellies and hearts are full!

Thanks, also, to Santa Claus for stopping by today. We know how busy you are at this time of year and we appreciate you spending time with us. We promise to live up to the Christmas spirit and spread peace, love and joy!

Thank you to our family members able to join us for our winter concert. We hope you enjoyed it as much as the kids enjoyed performing for you.

Thanks also for your extreme generosity in donating \$1997.00 for supporting our fine arts programs at Brentwood Park. This will make a huge difference.

EARLY PICK-UPS

If you need to pick up your child early from school for an appointment, please email the teacher indicating what time they will be picked up so they can send your child to the office to meet you.

Please try to make appointments outside of school hours to minimize the disruption to teachers and classmates. If pick up has to happen during school, please pick up by 12:00pm or after 1:00pm.

We understand that unexpected situations arise. If this is the case, please call the school before you arrive so that we have time to locate your child, as they are not always in their classroom.

HIP-HOP

As an enrichment of our Arts Education program and Physical Health Education we will be having a professional hip hop dance instructor, Sue Cejalvo-Howse, teach and provide lessons for all Brentwood Park students in our gym. Sue and her team of dance instructors will prepare all of the students for a school-wide sharing of their learning in dance. Each student will receive lessons during the weeks of January 26th—February 6th, 2026. Dance Presentations for family members will be held on Friday, February 6th. Details to be shared closer to the date.

DONATIONS NEEDED

Can you help??

If you are doing any cleaning and purging for the new year, please consider donating the following items to our Visual Arts program. We are looking for:

- Lego - any odds and ends are useful, as we will use these for printmaking! We are especially in need of the flat bases that we can build on top of.
- empty Lysol wipe containers - these will be used for storing and dispensing yarn
- beads - especially the colourful pony beads
- yarn, in any colour
- a hair dryer, for speed drying art projects

Please drop off any items at the office.
