Summer 2026

Principal: Mrs. Heather Kimmie ~ Vice Principal: Ms. Giovanna Molito
Head Teacher: Mrs. Georgia Loukopoulos ~ Admin Assistant: Ms. Lora Delorme

As we reflect on this school year, we would like to take this opportunity to thank our community members for being partners in your child's education. We have so much to be proud of and grateful for at Brentwood Park Elementary School! Our staff have loved seeing family members share in learning and experiences around the school this year, and we look forward to more opportunities next year to work, learn and have fun together.

At this time, we would like to wish our Grade 7s all the best in their transition to high school. We are proud of our senior students who have shown growth in many areas as well as care, responsibility, leadership and community-minded spirit this year.

Some of our Brentwood Park students are also heading off to other schools, districts and countries for school next year. In addition to the staffing update in last months' newsletter, we have also learned that Ms. Sawkins, Div. 2 teacher on Tuesdays plus LSS teacher other days, as well as Ms. Haque (EA) will be leaving Brentwood Park. We will miss everyone who is leaving, both students and staff, and we hope that you will all remember your time at Brentwood Park with fond memories!

One of the best things you can do this summer is encourage daily reading. Your child can join the free Summer Reading Club at any Burnaby Public Library too. If there are specific ways to support your child's learning identified in the term 3 report card, you are encouraged to help your child practice some of those skills during the summer. Of course, find time to socialize, play and enjoy some outdoor adventures as well!

Best wishes for a safe, healthy and fun summer holiday with your family members! Take good care.

Respectfully,

Mrs. Heather Kimmie - Principal

Newsletter: Mrs. Karyn Carr

**TUESDAY SEPT. 8th, 2026
@ 8:55AM -10AM**

On Tuesday, Sept. 8th, Grade 1-7 students will report to their last year's teacher to be welcomed back from their summer vacation from 8:55-10:00am. Many classrooms will be in a new location in Sept., so an updated map and list of the teachers will be sent during the week before school starts and will be posted around the school before the first day. All new students will meet in the library on the first day.

Our PAC will set up refreshments and treats for parents to mix, mingle and connect with each other on the blacktop area near the playground during the hour your children will be in session on Tuesday morning. Please join them!

The learning intention for our school during the first week activities is to continue working on our STEPS framework to build positive relationships, solve problems respectfully, and contribute to a school where everyone belongs.

We hope to be able to assign children to their new classes on Tuesday, Sept. 15th once the district gives us final approval.

Students entering Kindergarten do not come to school on Tuesday, Sept. 8th. They will begin their gradual entry schedule on Wednesday, Sept. 9th starting with the 'Welcome to Kindergarten' sessions.

We look forward to seeing everyone in Sept. 2026!

NIGHTS OF LITERACY CELEBRATION

We are thrilled to congratulate our Kindergarten to Grade 3 students who successfully completed our **Nights of Literacy** program!

Over the past months, these dedicated young learners and their families worked hard to build strong reading habits by engaging in literacy activities for **200 nights (and many even went beyond!)**. From reading stories together to practicing writing and exploring words, their commitment is truly inspiring.

This achievement reflects not only the perseverance of our students but also the incredible support from families who made literacy a meaningful part of their daily routines. Together, you have helped foster a lifelong love of reading, communicating, writing, playing games and learning. We are so proud of your effort, enthusiasm, and growth!

Congratulations to the following participants!

GRADE 7 PARENT COMMITTEE INFO

A heartfelt thank-you to the many Grade 7 parents who gave their time and energy to fundraising, planning, decorating, organizing, cleaning up, and creating lasting memories for the Grade 7 students. Special recognition goes to the Grade 7 Parent Committee Leads who worked for months to make the 80's theme come to life and organized the Grade 7 luncheon, slideshow, afternoon activities and reception following the leaving ceremony. You rock!

- * Prachi (Vihaan's mom) - Communications Coordinator and Slideshow Curator
- * Suzy (Evan's mom) - Treasurer and Catering Helper
- * Jennifer (Chloe's mom) - Decorations Lead
- * Kevin (Evangeline's dad) - Fundraising Lead
- * Yuen (Julia's mom) and Claudia (Isabella's mom) - Luncheon Coordinators (food, treats and activities)

Thanks also to the PAC Hot Lunch Crew for helping with the luncheon and Grade 6 parents for helping with the reception.

June – Summer health

Article for website or newsletter:

Keeping kids stay healthy and safe this summer – tips for parents

Summer is a time for fun and relaxation. Below are some tips to help your kids stay active, healthy and safe during the summer months.

Sun protection

Help avoid sunburns by applying a sunscreen with Sun Protection Factor (SPF) 30 or more at least 20 minutes before heading outside. Avoid the hot sun between 11 a.m. and 4 p.m. if you can. Seek places with lots of shade, such as parks with big trees. Take an umbrella to the beach and cover up with sunglasses that protect against UV rays, a wide brimmed hat, long sleeves and loose-fitting long pants.

Heat and smoke preparedness

With increased likelihood of hot temperatures, remember to keep children cool inside and outside. Watch the media for heat and smoke events. The [WeatherCAN](#) app can help.

Sustained indoor temperatures over 31°C can be unsafe. If there is no source of cool air, [don't rely on fans alone](#) during very hot weather. Relocate to a cool, shady outdoor space, or head to a library, mall or [community cooling centre](#). Make sure you and your family know the signs and symptoms of heat illness and how to get help. Learn more on the [Sun and heat safety](#) page.

Summer can also bring smoke from wildfires. Learn about the health impacts of smoke and change outdoor plans if needed. Find out how to be ready for smoke and know about the air quality in your community at Fraser Health's [Wildfire smoke](#) page and in this [postcard](#).

Eat well, stay active and hydrate

Encourage your children to drink water regularly. Build the habit of always carrying a water bottle with them wherever they go.

Healthy, active outdoor play is one of the best ways to improve physical and mental health. If your children are involved in sports, learn about heat precautions that can be taken during [practice](#). If your children love the water check out these tips on [water safety](#).

[Local farmers' markets](#) and [u-pick farms](#) are fun outdoor activities where you can enjoy seasonal produce. Did you know that over half of the blueberries harvested in B.C. are sold frozen in your local grocery store? Enjoy these nutrient-dense berries as fresh or frozen, with yogurts and in smoothies.

Find more summer health tips in Fraser Health's [Healthy summer guide](#).
